

MAGAZINE SUBSCRIPTION INFORMATION

AAM's flagship publication, *Museum*, is an award-winning, four-color magazine issued six times annually. By combining practical information and philosophical debate, it has become the museum professional's magazine of choice.

Museum is the primary forum for the debate of professional issues facing the field, tackling such issues as deaccessioning, ethics and professionalism, and environmental responsibility. *Museum* accepts commercial advertising and is a key source of buying information for the museum community.

Members of AAM receive the magazine as a benefit of membership. It also is available by individual subscription for \$38 a year. To subscribe, please fill out the form below and mail with your payment information to:
