

## About the Alliance

The American Alliance of Museums is the one organization representing all museums, including art museums, history museums, science museums, military and maritime museums, youth museums, aquariums, zoos, botanical gardens, arboretums, historical sites, presidential libraries, and science and technology centers. Our members include directors, curators, registrars, educators, exhibit designers, public relations officers, development officers, security managers, trustees, volunteers, and business owners who work in support of museums. The Alliance stands for the broad scope of the museum community, highlighting museums' roles as critical educational institutions and economic engines.

### Nurturing Excellence

#### **ACCREDITATION**

The Alliance serves as the U.S. accrediting body for museums. As the museum field's mark of distinction, accreditation offers high-profile, peer-based validation of a museum's operations and impact.

#### **CORE DOCUMENTS VERIFICATION**

Through this program, the Alliance evaluates a museum's five core policy documents (mission statement, institutional code of ethics, strategic institutional plan, disaster preparedness/emergency response plan and collections management policy) against a set of required elements.

#### **MUSEUM ASSESSMENT PROGRAM**

Supported through a cooperative agreement between the Institute of Museum and Library Services and the Alliance, the Museum Assessment Program (MAP) provides technical assistance to all types of museums to improve operations through self-study and a consultative site visit from a peer. Since 1981, this popular program has served more than 4,600 museums.

#### **PEER REVIEW**

The Alliance's volunteer peer review program is the lifeblood of accreditation and the Museum Assessment Program (MAP). Each year, hundreds of museum professionals conduct site visits to the participating institutions, lending their experience and expertise while enriching their own.

### Championing Museums

#### **ADVOCACY**

Join the Alliance's year-round advocacy initiatives and help advance the cause of museums. The Alliance provides the tools and information you need to make the case for museums at the national, state, and local level.

#### **MUSEUMS ADVOCACY DAY**

Working with our partners at the national, regional, and state level, this unique annual event brings together museum professionals, trustees, students, and supporters for hands-on advocacy training and visits to Capitol Hill.

#### **"INVITE CONGRESS TO VISIT YOUR MUSEUM" WEEK**

Show your elected officials what museums are and do in the community. The Alliance provides the tools and templates to invite your elected officials to visit your museum.

#### **CENTER FOR THE FUTURE OF MUSEUMS**

An Alliance initiative, the Center for the Future of Museums (CFM) identifies trends and critical issues facing museums and society. CFM produces a weekly *Dispatches from the Future* newsletter and *TrendsWatch*, an annual forecasting report. On a selective basis, CFM staff are also available to provide workshops and training on strategic foresight and emerging issues, as speakers for public lectures or conferences, and as advisors on museum planning initiatives.
