

Guide to the American Alliance of Museums' Legislative Record, 115th–116th Congress (2018–2020)

This tracking system is an easy way for Alliance members and advocates to better follow their legislators' actions. It should not be considered as an endorsement or condemnation of any member of Congress or any candidate for office. Legislators who took pro-museum action on one of the issues described below receive a check mark in the corresponding column.

NOTE: New members of the 117th Congress have yet to take any museum-specific actions other than being asked to sign the FY 2022 OMS funding letter and are not yet included in this record. Signers of the FY 2022 letter are listed at the end of this [Institute of Museum and Library Services' Office of Museum Services Funding issue brief](#).

The Alliance is also aware that some legislators send their own letter in support of the Office of Museum Services, or include OMS on a letter listing their priorities. These individual letters also help our cause. These legislators include Representatives Anne Kirkpatrick (D-AZ) and Lucille Roybal-Allard (D-CA).
